### GENERAL

|                                 |                                                                                                                |
|---------------------------------|----------------------------------------------------------------------------------------------------------------|
| Screen Size                     | 50" (127cm)                                                                                                    |
| Display Type                    | Direct LED                                                                                                     |
| Screen Resolution               | 3840x2160 (Ultra HD)                                                                                           |
| Tuner Type                      | DVB-T/T2/C/S/S2/                                                                                               |
| DVB-T2 Codec                    | H264, H265                                                                                                     |
| Smart OS                        | Android TV 9                                                                                                   |
| Pre-installed APPs for Smart TV | Google play Store, Google play Games, Google play Movies & TV, Google play Music, Chromecast, Google assistant |
| RAM/Storage                     | 2.25 GB / 16 GB                                                                                                |
| CPU                             | CA53 Quad core, 1.0GHz                                                                                         |
| GPU                             | Mali450 Quad core                                                                                              |

### DISPLAY

|                     |           |
|---------------------|-----------|
| Native Refresh Rate | 60Hz      |
| Brightness (cd/m²)  | 290       |
| Dynamic Contrast    | 4000:1    |
| Viewing Angle (H/V) | 178°/178° |
| Response Time       | 9ms       |

### FEATURES

|                    |          |
|--------------------|----------|
| HW Control Buttons | Yes      |
| Time Shift         | Yes      |
| Multilanguage OSD  | Yes      |
| Sleep Timer        | Yes      |
| Hotel Mode         | No       |
| HDMI Option        | CEC, ARC |
| LCN                | Yes      |

### PICTURE

|                             |                                 |
|-----------------------------|---------------------------------|
| Picture Mode                | User/Standard/Sport/Vivid/Game  |
| Adjustable Picture Controls | Yes                             |
| Picture Size                | Auto/16:9/4:3/Panorama/Zoom/P2P |
| Color Preset                | Cool/Warm/Standard              |
| Noise Reduction             | Yes                             |
| MPEG Reduction              | Yes                             |
| HDR10 / HLG                 | Yes                             |
| Dolby Vision                | Yes                             |

### AUDIO

|                           |                                |
|---------------------------|--------------------------------|
| Audio Power               | 2x10W                          |
| Sound Mode                | Standard, Movie, Music, Sports |
| Adjustable Sound Controls | Yes                            |
| Equalizer                 | Yes                            |
| Dolby Processing          | Yes                            |
| Surround Sound            | Yes                            |

### MULTIMEDIA

|                                |                                                                  |
|--------------------------------|------------------------------------------------------------------|
| Photo View supported formats   | JPG, PNG, BMP                                                    |
| Audio Player supported formats | MP3, M4A, AAC, WMA, WMA Pro, AC3 (video only), LPCM (Audio only) |
| Video Player supported formats | MPEG1/2, MP4, H264, H265, MKV, AVI, FLV                          |
| NTFS USB support               | Yes – read only                                                  |
| Subtitle support               | Yes                                                              |

### CONNECTIVITY

|                            |                                    |
|----------------------------|------------------------------------|
| RF Input                   | Yes                                |
| LNB Input                  | Yes                                |
| Component AV Input         | No                                 |
| Composite AV Input         | Yes                                |
| PC Audio                   | No                                 |
| VGA Input                  | No                                 |
| SCART                      | No                                 |
| HDMI 1.4/2.0               | 3                                  |
| CI+                        | Yes                                |
| USB 2.0                    | 1                                  |
| USB 3.0                    | 1                                  |
| Headphone                  | No                                 |
| Digital Audio Output SPDIF | Yes/Optical                        |
| LAN                        | Yes, built-in                      |
| WiFi                       | Yes, IEEE802.11/b/g/n              |
| Bluetooth                  | Yes / Headphones, Speakers support |

### POWER

|                   |       |
|-------------------|-------|
| Power Consumption | 93w   |
| Standby Power     | <0.5w |

### ACCESSORIES

|                                |     |
|--------------------------------|-----|
| User Manual with Warranty Info | Yes |
| Remote Control                 | Yes |
| Remote Control Battery         | Yes |

### SIZE & WEIGHT

|                                |                       |
|--------------------------------|-----------------------|
| Product Size (WxHxD) w/ stand  | 1112.5x686.7x238.5 mm |
| Product Size (WxHxD) w/o stand | 1112.5x641.6x90.8 mm  |
| Package Size (WxHxD)           | 1240x760x145 mm       |
| Product Weight                 | 9.7 kg                |
| VESA                           | 200 x 200 mm          |
